S25°76.339' E27°93.518' elevation: 1374m

Alternative format: 25°45'47.5"S 27°56'05.7"E

From Pretoria:

- Take the N4 toll road direction west out of Pretoria. Note that this is the N4 leaving from midtown (Pretoria fresh produce market) and not the N4 via Ga-Rankuwa
- After the second toll gate turn right at the T-junction on top of the bridge
- At the four-way stop, take the lefthand slipway towards Hartbeespoort/Brits/Rustenburg. Continue 1km.
- Drive up the mountain for 2,0km until you are right on top. This is where you see the Hartbeespoort dam for the first time.
- On your right is a service road (tar) for approximately 200 metres, turn right onto it. If you missed it, go down the hill and turn around at a safe place!
- On the service road turn right onto a brick-paving road. The sign says "Holms and Friends/Dieter & Gesine Holm, Son Souci"
- Follow this road until it splits off to the right
- Turn right between beige column and follow the road (200 metres) to the office on your right
- PLEASE HOOT! WE HAVE DOGS FOR OUR SAFETY!

From Johannesburg (via R511 – Sandton/Fourways):

- Take the R511 from Sandton/Fourways towards Hartbeespoort (North)
- Drive all the way through Hennopsriver to the big four way stop close to the N4
- At the four-way stop, carry on straight towards Hartbeespoort/Brits/Rustenburg
- At the next four way stop carry on straight
- Drive up the mountain for 2,0km until you are right on top. This is where you see the Hartbeespoort dam for the first time.
- On your right is a service road (tar) for approximately 200 metres, turn right onto it. (If you missed it, go down the hill and turn around at a safe place!)
- From the service road turn right onto a brick-paving road. The sign says “Holms and Friends/Dieter & Gesine Holm, Son Souci”
- Follow this road until it splits off to the right
- Turn right between beige column and follow the road (200 metres) to the office on your right
- PLEASE HOOT! WE HAVE DOGS FOR OUR SAFETY!

From Johannesburg (via R512 – Randburg/Lanseria):

- Take the R512 from Randburg towards Hartbeespoort (North)
- Drive all the way past Lanseria Airport to the big T-junction close to Pelindaba
- Turn right towards Pretoria. Pass all Pelindaba gates.
- At the four way stop turn left onto the slipway. Go over the N4 toll road
- At the four-way stop, turn left onto the slipway towards Hartbeespoort/Brits/Rustenburg
- Drive up the mountain for 2,0km until you are right on top. This is where you see the Hartbeespoort dam for the first time.
- On your right is a service road (tar) for approximately 200 metres, turn right onto it. (If you missed it, go down the hill and turn around at a safe place!)
- From the service road turn right onto a brick-paving road. The sign says “Holms and Friends/Dieter & Gesine Holm, Son Souci”
- Follow this road until it splits off to the right
- Turn right between beige column and follow the road (200 metres) to the office on your right
- PLEASE HOOT! WE HAVE DOGS FOR OUR SAFETY!

From Pretoria West (Van der Hoff road)

- At the foot of Silkaatsnek, take the R511 Sandton slipway left
- Drive until the 4 way stop, Total garage on your left, take the slipway left, direction R511 Sandton
- Drive for approx. 5 km, pass Jasmyn on your right, Ennis Nursery on your left, up the hill of Saartjiesnek
- Before you go over the hill, there's a tar service road on your left, turn off there
- Go through gate on your left with sign “Holms and Friends/Dieter & Gesine Holm, Son Souci”
- Follow this road until it splits off to the right
- Turn right between beige column and follow the road (200 metres) to the office on your right
- PLEASE HOOT! WE HAVE DOGS FOR OUR SAFETY!
